**PETITION UNDER 37 C.F.R. §1.182 TO CORRECT TYPOGRAPHICAL
ERROR IN ENTRY KEYED INTO EFS-WEB**

Applicant hereby petitions the Commissioner to correct the entry identifying the international application keyed into the EFS-WEB data entry screen which inadvertently contained a typographical error. The entry keyed into EFS-WEB inadvertently and incorrectly identified the international application as PCT/US05/001867. The correct number is PCT/JP2005/001867. The entry was inadvertently, and without deceptive intent, keyed into the EFS-WEB data entry screen.

All other documentation submitted, including the inventor's declaration, recited the correct international application number. Additionally, it is noted that per the USPTO policy, the inventor's declaration controls, and that number should have been used by the USPTO to correct the error on its own. As such, it is submitted that the requirement for a petition and fee is not proper and applicants request a refund of the \$400 petition fee submitted herewith.

The fee required under 37 CFR 1.17(f) is herewith paid via credit card via EFS-WEB. However, the Commissioner is hereby authorized to charge any fees due and owing not covered by the credit card payment to Deposit Account No. 19-3140.

Respectfully submitted by,

/David R. Metzger/ (Reg. 32,919)
